**Our Mission:**

Funded by the Health Resources and Services Administration (HRSA), the **NY/NJ AETC's mission** is to assist health care professionals, through education and training, to provide optimum quality services and sensitive care to HIV positive persons, and to provide access to current research and treatment of HIV/AIDS. We serve the New York and New Jersey healthcare community by providing AIDS and HIV education and training to treat, manage, diagnose, or counsel individuals with HIV infection or to help prevent high risk behaviors that lead to HIV transmission.
