

CME Activity Data

Title: Women and HIV On-Demand Video

Date: July 1, 2009-June 30, 2010 Location: Video was watched on the NY/NJ AETC website at www.nynjaetc.org

Presenting Faculty: Judith Lightfoot, DO, FACCOI

Department/Division: Medicine/Division of HIV Medicine Phone #: 518-262-4674

Contact Person: Jim Ybarra

Learning Objectives: At the conclusion of this activity, the participant should be able to:

1. Describe the epidemiology of HIV disease in women of childbearing age.
2. Discuss the CDC's Revised Recommendations for HIV Testing and its impact on the primary care setting.
3. Outline new opportunities for HIV testing and prevention in primary care settings.
4. List three unique health issues relevant to women with HIV disease.
5. Describe when to refer patients to Infectious Disease Specialists.

Faculty/Planning Committee Disclosure

Albany Medical College endorses the standards of the Accreditation Council for Continuing Medical Education (ACCME) and the guidelines of the Association of American Medical Colleges (AAMC) that the sponsors of continuing medical education activities, speakers and planning committee members of these activities disclose significant relationships with commercial companies. Significant relationships include receiving from a commercial company research grants, consultancies, honoraria and travel, or other benefits or have a self-managed equity interest in a company.

Disclosure of a relationship is not intended to suggest or condone bias in any presentation, but is made to provide participants with information that might be of potential importance to their evaluation of a presentation.

Relationships exist with the following companies/organizations:

PLANNING COMMITTEE	COMPANY & RELATIONSHIP
Douglas G. Fish, MD	<u>Speaker's Bureau:</u> Merck & Boehringer Ingelheim <u>Consultant:</u> Merck
Abigail Gallucci	<u>Speaker's Bureau:</u> Gilead Sciences, Inc.

The following Faculty or Planning Committee Members have no financial relationships to disclose: Marshall Glesby, MD, PhD, Judith Lightfoot, DO, FACCOI, Jennifer Price, Sarah Walker, Kelly Rand, Melissa Laurie and Daria Boccher-Lattimore, DrPH

The information being presented will be scientifically valid. The content of the presentations will promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest. All presentations will give a balanced view of therapeutic options.

X Yes No

Will off-label investigational use of a product be discussed? Yes X No

If yes, please list: N/A

Who will be responsible for monitoring this? Name: Douglas G. Fish, MD, MPH and/or Marshall Glesby, MD, PhD
